## DONOR CONTRIBUTIONS DISCLAIMER

- No expectation of reciprocity – the Donor acknowledges that the donation is made voluntarily with no expectation of reciprocity or quid pro quo. This includes, but is not limited to, preferential treatment for projects or other decisions made where the Donor is concerned, granting of or fast-tracking of project approvals, etc.
- No rights to influence – the Donor acknowledges that the donation is made without any rights to influence Verra's decision-making process, whether such decisions concern the Donor directly or indirectly.
- All benefits are valid during the term of the sponsorship.
