It's a New Era for Verra

Listening Tour Early Takeaways

**Program &
Scientific
Integrity**

**Responsiveness
and Engagement**

Speed and Scale

Transparency

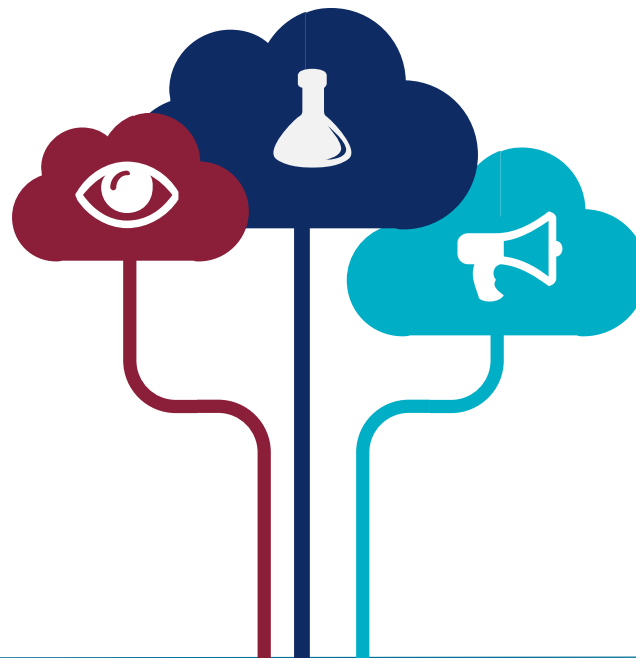

Communications

Verra's 3 Immediate Priorities

1 Operational Excellence

2 Program & Scientific Integrity

3 Accountability

Priority #1 – Operational Excellence

Goal Statement

To invest in developing the capabilities and infrastructure needed to deliver excellence.

Examples Include:

Talent Acquisition

Project Hub

Project Review – Capacity, Quality, Efficiency

Priority #2 – Program & Scientific Integrity

Goal Statement

To leverage the latest science and best-practices to enhance VCS Program integrity and scale up climate action

Examples Include:

VCS Program Updates (V.4.5 and 5)

Consolidated REDD methodology

New Scope 3 Program

Priority #3 – Accountability

Goal Statement

To acknowledge and uphold our duty to others – stakeholders, the market, people, and the planet.

Examples Include:

ICVCM alignment

Policy engagement and capacity-building

Strategic, proactive communications

**Closing and
Thank you!**
